

Project List

St. David Church

- Repairs needed on Church.
 - Exterior windows, casings, and sills.
 - Restore eaves.
 - Re-pointing of bricks.
 - Repair entrance steps.
 - Bell tower and surrounding metal work.

St. David Rectory

- Rectory needs a great deal of repairs.
 - Roof leaks in four places.
 - Windows on the back of rectory need to be replaced.
 - Several sections of ceiling have water damage from leaks in the roof.
 - Furnace is in serious need of replacement.
 - Two-door garage, with full basement underneath, is deteriorating so badly that we can no longer park a car on the right-hand side, and it will not be long before we will not be able to park on the left-hand side.

St. Gerard Church

- Chapel roofs, Sacristy roof, reroof with metal.
- Replace windows in Bell Tower.
- Install donated boiler in that supplies Church Hall.

St. Thomas Church

- Repairs needed on Church.
 - Eaves need to be repaired / vented.
 - Repair roof that is leaking in two places.
 - Paint Belfry / Spire.

St. Thomas Garage

- Replace roof, painting, replace overhead doors.
